

SAINT MARSANNE — JOSEPH

2023

Like Condrieu, this white Saint-Joseph has its roots in Saint-Pierre-de-Bœuf.

Unlike the 100% roussanne from the Pierre-Jean Villa family estate, this cuvée is made from 100% marsanne from young vines.

A perfect blend of freshness and deliciousness, this is a Saint-Joseph that's all about balance!

Grape variety: 100% marsanne

Soils: light, comprising schist and gneiss on a granite bedrock.

Winemaking: direct pressing. Settling at a low temperature for 12 to 24 hours.

Maturing: 12 months in barrels (228 l) and oak casks (500-600 l). Racking and blending, 6 weeks before bottling.
